Dear Mr. Elhassan:

I am pleased to extend to you a conditional offer of employment with the CST Division as an **Operations Officer** at the General Schedule (GS) salary of GS-10 step 07 (\$50,756 per year). Our offer is conditional as it is contingent on your successful completion of a psychological assessment and evaluation and pre-employment security and medical processing, your successful completion of employment suitability screening, and budgetary and legal constraints. These conditions and others, explained in Enclosures A and B, must be satisfied prior to your employment by the CST Division. Please read the enclosures carefully.

Your application process will begin with your return of the enclosed forms (Standard Form 86, Standard Form 86A, Medical Form 4463, Financial Disclosure Requirement, Self-Identification Sheet, Disabilities Sheet, Supplemental Information Request to Standard Form 86, Authorization to Release Personal Information, and the Foreign National Information Sheet). Your response must be postmarked by: **May 6, 2002**. The CST Division will reject responses postmarked after this date and will automatically rescind the conditional offer of employment.

Congratulations on receiving this conditional offer of employment with the CST Division. Please feel free to contact your program officer (Ann) should you have any questions or concerns, on (866) 626-2391. In addition, if, at any time, you wish to terminate your interest in CST employment, please notify me immediately.

I look forward to receiving your completed application forms.

Sincerely,

Cassie Troy
