Dear Sir or Madam:

I am writing to withdraw my application for employment with the Agency.

I thought the processing would have been completed in time for the class of July, 2002. It is almost mid-July, yet there is little of a concrete nature that would enable me to draw reasonable plans or permit me to properly arrange my affairs.

I apologize; but I had to set aside some personal and professional matters during the pendency of this application's processing, and the uncertain wait is beginning to cause complications which I can not afford to ignore.

I thank you for your time, and for having considered me for this position.

Sincerely,

-Khalid A. Elhassan-
